JANE STREET BUS RAPID TRANSIT | City of Vaughan

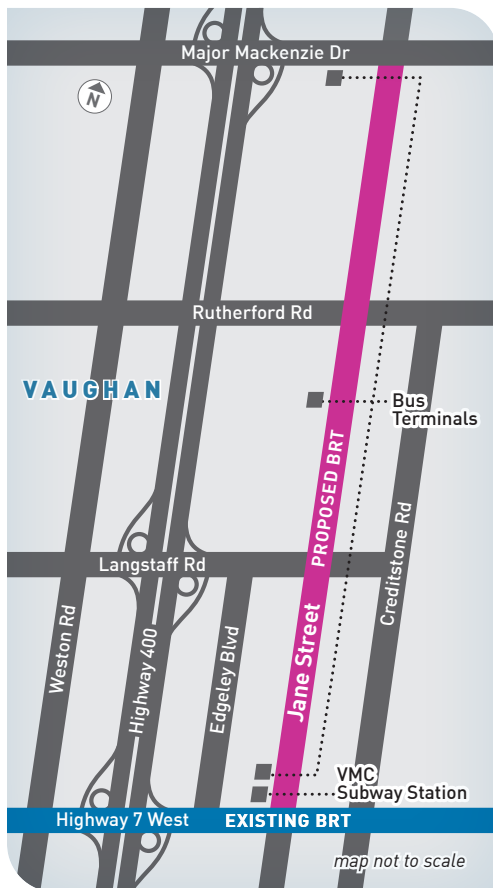

York Region Rapid Transit Corporation (YRRTC) is conducting a Jane Street Bus Rapid Transit (BRT) study from Highway 7 to Major Mackenzie Drive in Vaughan.

The York Region 2022 Transportation Master Plan identified the need for rapid transit infrastructure along the Jane Street corridor to support planned housing and job growth. This project will provide faster connections to major destinations and existing rapid transit, reduce traffic congestion and support more jobs and increased housing supply.
